consideration. Those who did not vote are those who voted to take off the Donnelley amendment should now vote not to advance the bill so that there will time to give additional consideration to this situation. They obtain 22 votes to retain that amendment. So, without the votes of those who are opposed to the Donnelley amendment, this bill can not move. If given a bit more time, at this stage of consideration, there is a greater likelihood of being able to have something done about that situation than if you move it on to Final Reading, or wherever you are going to move it too. I don't think you are going to kill it. So what I would suggest and what I hope is that this bill not obtain 25 votes for advancement.

SPEAKER NICHOL: Any other discussion on the advancement of the bill? A machine vote has been requested by Senator Higgins. All those in favor vote aye, opposed nay. We are advancing the bill. Have you all voted? Record, Mr. Clerk.

CLERK: 27 ayes, 9 nays, Mr. President, on the motion to advance the bill.

SPEAKER NICHOL: The bill advanced. Mr. Clerk.

CLERK: Mr. President, I have some amendments to be printed in the Journal, amendments to 628 by Senator DeCamp. 343 by Senator DeCamp and 619 by Senator DeCamp. (See pages 1468-1472 of the Legislative Journal.)
